Thank you for contacting the United States Securities and Exchange Commission. This automated response with your Submission Number confirms that your submission has been received successfully. Please write down your Submission Number or print/save a copy of your submission for future

reference. Once you navigate away from this page you will not be able to get back to your submission.

We are always interested in hearing from the public, and your submission will be given careful consideration in view of the Commission's overall responsibilities under the federal securities laws. Please note, however, that it is the Commission's policy to conduct its investigations on a non-public basis in order to preserve the integrity of its investigative process. Subject to the provisions of the Freedom of Information Act, we cannot disclose to you any information which we may gather, nor can we confirm the existence or nonexistence of an investigation, unless such information is made a matter of public record in proceedings brought before the Commission or the courts. Therefore, this may be the only response that you receive. If you want to learn more about how the Commission handles inquiries or complaints, please visit

Please note that if you selected an answer of “Yes” to the question indicating that you want to file this information under the SEC’s Whistleblower program, you are agreeing to the following statement:

- I declare under penalty of perjury under the laws of the United States that the information contained herein is true, correct and complete to the best of my knowledge, information, and belief. I fully understand that I may be subject to prosecution and ineligible for a whistleblower award if, in my submission of information, my other dealings with the SEC, or my dealings with another authority in connection with a related action, I knowingly and willfully make any false, fictitious, or fraudulent statements or representations, or use any false writing or document knowing that the writing or document contains any false, fictitious, or fraudulent statement or entry.

If you are an attorney completing this form on behalf of your client, by selecting an answer of “Yes” to the question indicating that you want to file this information under the SEC’s Whistleblower program, you are agreeing to the following statement:

- I certify that I have reviewed this form for completeness and accuracy and that the information contained herein is true, correct and complete to the best of my knowledge, information and belief. I further certify that I have verified the identity of the whistleblower on whose

behalf this form is being submitted by viewing the whistleblower's valid, unexpired government issued identification (e.g., driver's license, passport) and will retain an original, signed copy of this form, with Section F signed by the whistleblower, in my records. I further certify that I have obtained the whistleblower's nonwaivable consent to provide the Commission with his or her original signed Form TCR upon request in the event that the Commission requests it due to concerns that the whistleblower may have knowingly and willfully made false, fictitious, or fraudulent statements or representations, or used any false writing or document knowing that the writing or document contains any false fictitious or fraudulent statement or entry; and that I consent to be legally obligated to do so within 7 calendar days of receiving such a request from the Commission.

I am providing supplemental evidence that my stolen administrative identity, Onsite Tech ID 104281421, has been siphoned into the training data of conversational AI models hosted on Hugging Face, specifically under the 'Project Nightingale' initiative by Sesame AI.

The 'Master Key' in question — the RegOnline API credentials (Login: atsaisses, Account ID: 236240, KEY: UCQoov5o...) — was hardcoded alongside my name in internal American Tradeshow Services (ATS) documents. I have found that the 'Myles' persona in Sesame AI models appears to have been fine-tuned using these leaked technical datasets, effectively simulating my professional identity and administrative access.

Associated Firm Details for Sesame AI:

- Firm Name: Sesame AI, Inc.
- Street Address: 150 Spear Street, Suite 1800
- City: San Francisco
- State: California
- Zip Code: 94105

This transition of my identity from a 2017 technical role into a 2026 AI persona constitutes a massive, unauthorized 'siphoning' of data. I request the SEC investigate if this stolen identity data was monetized or used to misrepresent
